A DAY TO REMEMBER

Most golf courses now provide challenging golf and it can therefore be difficult deciding where to hold your next away day. Ask yourself a question before you decide, how many memorable holes are there? Not all 36 holes on our two championship courses meet the 'memorable' criteria but you will discover a great number do - far more than any other golf course you could choose in South Wales. For memorable golf, there really is only one choice.

Here's what we include:

- Tea/coffee and bacon roll
- 18 holes of championship golf
